It's great to see Kirsten and Adam rewarded for their dedication and hard work.

MOUNT VICTORIA PUBLIC SCHOOL IS 150!

On 23rd November our primary school will celebrate 150 years of providing education to our local children. Principal Gerard Elms is busy organising a great day to mark this important milestone. The day will begin at 1.30 with a special assembly where moments in history will be revealed. A fete will provide fun and celebrations until 5.30pm. Come along and celebrate with our students and teachers.

FUNDRAISING TRIVIA NIGHT

It seems that people never lose interest in Trivia Nights. Over eighty locals gathered together at the Victoria and Albert recently to enjoy an entertaining night and help raise funds for next year's Great Train Weekend. MVCA Secretary Margaret Gough organised the evening and Quiz master extraordinaire, Andrew Clark, volunteered his skills. Our businesses were very generous in their support, donating many wonderful prizes. Everyone enjoyed themselves so much that they have asked for more trivia nights in 2019. Thank you to Wayne and Tania for providing the space for this event.

COMMUNITY GARDENS

We are still negotiating with BMCC regarding the establishment of a community garden in Rotunda Park. Phil Foster has been invited to a meeting with council to see how the project can be moved along.

Meanwhile, if you are keen to be involved please let Phil know as we need to demonstrate to council that there is real interest.

HIGHWAY PLANTINGS

Our new trees are looking wonderful after a boost from the spring rain. Thank you to Blue Mountains City Council for continuing the trees from Fairy Dell Road to Mt York Road after a request from community members and MVCA.
